

U.K to Exit the European Union

The vote in favor of the U.K. exiting the European Union (EU) is an unprecedented event with ramifications that will evolve depending on the terms to which the U.K. and EU may agree in any future arrangement

Cigna will continue business as usual and our customers, clients and their advisors can rely on our global financial strength, diversified insurance portfolio and flexible global operating model to continue delivering products and services that ensure the health, well-being and sense of security of our more than 90 million customer relationships around the globe.

We will actively monitor the developments and work diligently with our customers, clients, brokers and partners to help them navigate through this uncertain environment. If you have any questions or concerns, please [contact us](#).

About Cigna

Cigna Corporation (NYSE: CI) is a global health service company dedicated to helping people improve their health, well-being and sense of security. All products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Connecticut General Life Insurance Company, Cigna Health and Life Insurance Company, Life Insurance Company of North America and Cigna Life Insurance Company of New York. Such products and services include an integrated suite of health services, such as medical, dental, behavioral health, pharmacy, vision, supplemental benefits, and other related products including group life, accident and disability insurance. Cigna maintains sales capability in 30 countries and jurisdictions, and has more than 90 million customer relationships throughout the world.
